Our Philosophy: It's All About Fresh Food and Hospitality

The culinary program plays an integral role in attracting students and contributing to student and parent satisfaction. To mirror a commitment to the highest quality education, the AVI Fresh vision is centered on our fresh food forward model. Skilled culinarians prepare nutritious meals from scratch with the freshest ingredients.

We artfully prepare foods in full view of our customers, displaying showmanship and precision in all that we do. Fresh is more than a model, it's a way of life for our team.

Every day, we engage and interact with our customers to create an experience. AVI Fresh team members are hospitality-minded, focusing on creating a warm environment where smiles and food are at the forefront.

Stay fresh – stay connected!

The Juilliard School and AVI Fresh are working together to educate and excite students, faculty, and staff about the family difference in food service. At AVI Fresh we continue to listen and deliver a unique dining experience.
