Nutrition and Food Allergies

Your Campus Dietitian

- A free resource for all students!
- **Kileigh Job** is your Campus Registered Dietitian; helping students navigate dining on campus and providing nutrition education.
- Saints are welcome to contact Kileigh at kjob@siena.edu with questions or to set up 1:1 appointments regarding healthy eating on campus, nutrition questions and concerns, sports nutrition for athletes and active students, allergies, dietary restrictions, or preferences.

Food Allergies, Celiac Disease, and Non-Celiac Gluten Sensitivity

- Incoming students should report their food allergy to Siena College Health Services at 518.783.2554 or chogan@siena.edu before arrival on campus.
- Incoming students with a food allergy or Celiac Disease should also contact our Campus Dietitian before arriving on campus.
- Students can meet with their Campus Dietitian and Campus Executive Chef to learn how to navigate the dining locations and discuss appropriate dining options safely.
- We take food allergies seriously and adhere to ServSafe practices to avoid cross-contact while preparing and serving food.
- We have a dedicated allergen-friendly station, called Clarity, as well as a wide variety of allergen-friendly, Vegan/Vegetarian, and Gluten Sensitive options around campus.

Allergy and Preference Labeling

- All menu items are labeled with the below icons to indicate which Allergens that menu item contains and which preference that item adheres to.
- Although we follow all ServSafe procedures, we do not have a dedicated Gluten Free kitchen. Therefore, we label foods as Gluten Sensitive even though those menu items are made with ingredients free of gluten.

Allergens and Preferences Key

CO Coconut	S Soy	H Halal
E Egg	SE Sesame	V Vegetarian
F Fish	SF Shellfish	VE Vegan
