HOW TO USE THE MARKET C KIOSK.

1. Scan Your Items.

Begin by scanning each of your items, placing the product barcode approximately 6 inches in front of the barcode reader. If your product does not have a barcode, select the item on the main screen.

2. Select Payment Method.

Select **Credit** to pay with a credit/debit card or Select **Account** to access your account via the following options:

Scan Your Fingerprint

Scan Your Market C Account Card

Select **Type ID** icon and input your Unique ID, followed by your PIN

3. Follow on-screen prompts to complete your transaction.

Please note, the Market C kiosk does not accept coins or provide change. Any remaining cash value is loaded to the Market C account.

Using a Fingerprint.

To set up your fingerprint, select **Manage Account**, select **Existing Account**, select the fingerprint field and follow the easy instructions. Use your index finger for best results.
